

Wine Composition

<i>Variety:</i>	Primitivo (100%)
<i>Origin, Grower:</i>	Idiot's Grace V'yd., Mosier, OR (Brian McCormick) Hamm's V'yd., Lyle, WA (Rob McCormick)
<i>The Site:</i>	Farmed organically on windswept, agate-strewn benches overlooking the Columbia River from both the Oregon and Washington banks.
<i>The Vintage:</i>	2014 was year three in a four-vintage warming streak. Water availability lagged demand toward the end of ripening. First real crop from our small WA plot.
<i>Harvest:</i>	October 13 @ 23.3° Brix
<i>Lab:</i>	pH 3.84, 13.8% ABV
<i>A Few Words:</i>	Characteristically raspberry-ish, suggesting both raw fruit and the associated leaves—a provocative tension between red and green influences. Defiantly unconfected.
